Principals Message

At some time this week I thought there was a touch of spring in the air! But then it went away again very quickly and the rain reappeared!

On Tuesday the children had a familiarity day for the pets they have or are about to choose for **Agricultural Day** next term! So spring must be around the corner?

Winter illnesses are lurking big time this year with an increase in flu like symptoms around the country. We had a lot of the younger children away from school last week and on one day there were 10 children away from Room One. If in doubt the best advice is to stay home. Eat well, stay hydrated, get plenty of sleep, wash your hands and think positively, are good ways to stay healthy.

It was good to see the parents who came into school last week for **parent interviews**. The teachers find this time valuable and we hope you do as well. Of course you are welcome to pop into school to discuss your child's progress at any time.

A small group of children went across to the **Waikato Gym Festival** in Hamilton yesterday. They acquitted themselves well and were pleased with the opportunity to compete. The senior aerobics team were to compete also but injury forced the team out. Not an activity that someone can fill-in at the last moment unlike other sports!

Also early next month a team of year 7, 8 children are attending the **Waikato Full Primary Schools (WFPSA) Cross Country Champs** in Te Aroha. We missed this event last year but this year we have keen students willing to attend and who also have the ability to compete at this level. Children compete in these Full Primary event from Mercury Bay Area School to schools in Taupo! The WFPSA was formed about 15 years ago to provide sporting and cultural activities for year 7, 8 children outside Intermediate Schools.

A staff member and a student are walking around school at the moment with their arms in slings after damaging their shoulders in different accidents. One whilst diving for a touchdown in an organised game and the other slipping off her motorbike in a very wet paddock! Get well Olivia and Liz! Even the best have accidents! But don't wrap yourselves in cotton wool!
