Slowly, the school kids walked up Maungatautari, huffing and puffing. Sweetly the birds sang their songs to each other. Echoing through the Maungatautari was the song of the Kaka.

Agricultural Day -
Wednesday 16 October
Group Day - Friday 18 October

That all important bond should be beginning to form between child and pet by now, encourage your children to spend time with their chosen pet daily and leading practice should be a daily exercise.

Saving dates for the animals are:

Lambs & Kids

Early: 1/07/19 to 19/08/19

Late: 20/08/11 to 20/09/19

Planning for the actual day is well under way, over the next few days a roster will be sent home to all families asking for your support in the following ways:

- Baking for judges
- Baking for Cake raffle
- A rostered time on the day for families to help out with BBQ's, raffles, serving food etc

We ask that you all support this day by
playing your part when asked so that all
parents get the opportunity to spend time
watching their child's animal events

Thank You

Nigel Anderson - for showing the children how to care for and train their lambs and kids for Agricultural Day, it was very informative despite the temperature of the day. We appreciate you bringing along a lamb to demonstrate.

Principal's Message

The last week of term is upon us! Monday was the day when we had 12 hours of daylight and 12 hours of night!

A number of children have mentioned the **Rugby World Cup** and the fact that they saw the All Blacks play. It will be an interesting next 6 weeks with plenty of discussion, opinions and debate around the country. One thing's for sure though... is that every team will be trying to win! My Spark Sport connection seems to be working!
