Principal's Message

Spring is in the air! We are in the last week of Term 3! It is hard to believe that we are so far through the year! Many people have commented on this fact after what has been a very different year so far!! The good news however is that we are back at **Alert Level 1** and we can go about most activities as per normal. This is great news for the organisers of the **Agricultural Day for the first week back next term**. They can organise this day as per normal.

We had a great **Hangi** at school last week and a big thank you for **Whaea Viki** and her helpers is well deserved! The hangi organisation was a massive undertaking with hours of preparation needed! Over 200 meals were prepared! Thank You to all the generous people in our community who donated meat, vegetables and fire wood! After a little hiccup, the meals were presented and all agreed it was delicious!! The children all ate in the hall in a very orderly fashion reminding many of a wedding reception!

Garth Thomas from Project Energise has been working with the senior class over the last three weeks, practicing leadership skills and in particular ideas for running mini games. The theory was put into practice last Thursday when the group ran a sports afternoon with the whole school. All the children did a great job and look forward to other occasions where they can use these skills learnt.

It was a pity the children missed out on the majority of the **Netball season this year**. Organised community sport has taken a hit this year. However next term we have 3 teams (about 30 children) involved in the **Putaruru "Touch" module**. The competition will be tough but our guys are improving.

Mid-Term BOT Elections. This year we have two BOT positions coming up for election in late November early December. If you are interested, talk to a current member about what is involved.

Congratulations to **Josh the Bus Driver** and his wife on the arrival of their first born. A little daughter arrived a week or two back. Also we wish **Chris Stevenson** a speedy recovery from his recent illness.

Enjoy the holiday break. Explore the country. I'm heading North for a week. Remember to turn the clocks forward this Sunday!

See you next Term 12 October!
