Qubik Win Cash for Your School Competition Finalist!!!!

As you may be aware Qubik ran a school competition over the last few months where farmers who purchased rubberware from Qubik could nominate a school to go in the draw to win one of three cash prizes.

I am very happy to announce that Pukeatua School was placed third in the competition and will receive \$500. THANK YOU TO ALL THOSE WHO NOMINATED OUR SCHOOL, we appreciate your support

Qubik representatives are coming to our school on **Friday 21 September, at 1.30pm** to present the prize. This presentation will be held in conjunction with our assembly, please come along and help celebrate

Principal's Message

Kei konei te puna! kei te tumanako tatou ki te raumatil!
(Spring is here! we look forward to the summer!)

As mentioned spring is in the air and a few days of fine weather does make a big difference. The back field was full of daisies the other day which must mean the grass is growing! We hope for many of our farmers that "the light at the end of the tunnel" is appearing!

Whilst we have had a wet time of it lately it was good to get a fine day for the **Eastern Zone Senior Sports Day at Wharepapa South School** last week. We had a very good attendance from children from our school and the day was thoroughly enjoyable in many ways. 1. Great in the way the children behaved. All were fully involved. 2. Great in the way all children displayed sportsmanship! (Not one child left the game we were supervising asking who had won!!) 3. Very good skill levels from many of our students. 4. Great support from many parents. 5. Well run and catered by the local Wharepapa School community. It's important on many levels for the Eastern Zone to keep meeting like this!

The junior children looked like they would miss out on the action but this was not the case. On Tuesday the **children from Room Four** organised a sports afternoon for the children from Room One and Three. The older students made up all the games, explained the activities well and supervised the young children! All had a wonderful time!

Next week we have a group of children involved in **interschool cross country events**. 15 children are heading to Kihikihi Domain for the Te Awa-mutu event and a group of four year 7,8 students are heading to Te Aroha for the Waikato Full Primary event! Competition will be tough no doubt!

During the course of this term and year, the teachers make contact with parents and parents make contact with teachers to discuss different aspects of their child's schooling. Remember that we do run an open door policy and will always be available to discuss your child's learning.
