Principal's Message

The term is nearly over and it is hard to believe that this is week 8 of Term 2. This week on the 21st, we mark the shortest day of the year (the winter solstice.) Next week the children could be offered a mid winter swim! Keep an eye out for a note on that!

Many of the children talked about their visit to the 'Field Days' last week. Whether it was Wednesday, Thursday, Teacher Only Day or the Saturday many took the opportunity presented and the weather was certainly kind. 26,000 to 40,000 per day visitors speaks volumes for the popularity of the event. How much was the spend I wonder? Every year I say I must get along. I have been saying that since 1990!

All staff attended the Te Awamutu Teacher Only Day last Friday at the College. It was great to see a full house and many positive smiling faces! 16 schools were present and we heard from different speakers and had the opportunity to take part in the 20 odd workshops on offer! The College ran the day well and we were well looked after. During the day we also heard the results from the pay negotiations. The teachers around New Zealand were happy with the outcome but some Principals were not so happy with the outcome they received. More discussion around this will be ongoing.

We had a very good turnout at Arohena for the Eastern Zone Cross Country. It is always a good day and the weather was kind to us. The children all did well and they showed great determination in completing what is a challenging course. Our children did manage to win a few races and many were placed in the top 10!

In the last week of term we have nearly all the children in rooms 2,3 & 4 competing in the Te Awamutu Gym festival at the Events Centre. The children have been learning new routines and enjoying the fact of learning new skills. For some a forward and backward roll can be a challenge but by practicing and repeating they show improvement. Thanks Mika Harris for giving up your time to come up to school to help the children with their routines.

Next week we have our mini Market Day. The money raised is going towards the Kiwi programme on Maungatautari. The children have been resourceful in making different items to sell and many people from the school community and beyond have donated time and material to help the children. Thanks to the people who have pre ordered the hangi lunch. Whaia Viki and helpers now know the scale of the operation!

Quote of the week

Attitude is more important than the past, than education, than money, than circumstances, than what people do or say. It is more important than appearance, giftedness or skill.

Charles R.Swindoll
