### Going Home

From time to time pupils say to the Teacher/Principal that they are going on the other bus or that they are being picked up. Would families please remember that for a child to **change their regular travel arrangements, a phone call or note should be sent to school** alerting us of the change. If you pick up your child from school please **note on the white-board** at the back door of the admin. The last thing we need is to be looking for a "lost" student that has actually gone home with their parents and we weren't told! Thankyou for your co operation

## Principal's Message

Spring has sprung! Summer has come early! Well this week anyway! It is good to see the fine weather but we still need the rain to fall every now and then! It looks like the contractors are working flat out with the amount of big tractors I have seen on the road!

The term is half way through and there are still a lot of things we need to do! The children are learning songs and words for the upcoming **School Production 'The Way we Were,'** They are also running and jumping around and getting ready for the **Eastern Zone Athletics sports** in a couple of weeks time.

### School Docs

Surprisingly, the country did not go into mourning after the recent World Cup Rugby result. The sun came up and life continued as usual! I know a few people who went to Japan for the last few games. Some watched the finals and others sold their tickets to other fans!
