

BOARD & SCHOOL

Ehara taku toa I te toa takitahi
Engari he toa takitini

*My strength is not that of an Individual
but that of a collective*

Welcome, everyone. It seems like such a long time since a full newsletter has been published, what a weird old year it has been!! Lets hope the remainder of the year goes well for everyone. But in the mean time, stay well and safe.

The school is holding a **Sports Festival Fun Day on Thursday 2 July from 11 am**. Parents are welcome to come along for the day and join us for a BBQ lunch. Sports to be held are:

- Gymnastics
- Skipping
- Matariki Activities
- Fun with Garth from Sport Waikato

Notice to follow with full details

There is an ever increasing pile of un-named **lost property** sitting at school unclaimed. Please come and have a look and claim what is your children's as at the end of the term all will be sent to a deserving cause.

Our very popular **Oxford Pie Fundraiser** has returned for another year, see the order form enclosed. All proceeds go directly to the support of all children at Pukeatua School so go ask your friends and neighbours and help make it a success. **Orders and payment must be received by Wednesday 1 July**. Pies can be collected from the Multi Purpose Room on Wednesday 29 July.

Principal's Message

Welcome back to work Wendy! After a knee replacement it's good to see the Newsletter looking good! The last few weeks have gone quickly and I thank all the staff for helping keep the office running!

We have seen a good number of new children this month and the current roll sits on 91 children. Hopefully that will enable us to keep all present staff for next year!

It's good to see that **Netball and Rugby** will start for the children next term. Many have told me that they are involved and cannot wait till the season starts. **Soccer** has started already for some! **Arohena School** are also keen to run the **interschool cross-country** event early next term as well! **Friday July 31st!** That is good for them as the day is a good fundraiser for the school! The children may need to train over the holidays or maybe just keep on being active and get outside!

This year we were expecting to be visited by the **ERO (Education Review Office)** team. Because of the covid situation, they have postponed visits until further notice. (to the joy of many schools??) In the meantime the ERO office is gathering information on how schools coped with the lockdown and the move from Level 4 to level 1. For us the change seemed to happen easily and now we are all back to school it seems a while ago that we were all a bit apprehensive and wondering about the future. We are not out of the woods however and the country's borders do present a new challenge!

Last Friday a hardy group of children took up the challenge of the **Mid Winter swim**. The water temperature was pretty low but all the children got their hair wet, felt invigorated and enjoyed the hot milo afterwards! Well done children. We were lucky there was no frost that morning!

We have passed the shortest day of the year and so far winter has been pretty kind! But as an old friend once told me.. "As the days get longer the frosts get stronger!" Summer will be here soon!
